Technology Finder™ - Information Searches and Technical Research

ManufactureLink has many years experience with conducting detailed research and information searches and can accomplish this much faster than most businesses can themselves.

Flat cost per search: \$750.00 + GST*

If your enquiry is determined to provide manufacturing opportunities for the ManufactureLink supplier network, your Technology Finder service may be free-of-charge (at the discretion of ManufactureLink).

What is the difference between Technology Finder™ and ManufactureLink Consulting?

Technology Finder is purely an information search service utilising our databases and contacts, and does not include any engineering or technical documentation. Technology Finder cannot be used for any projects requiring more than a single day of work.

Schedule of Travel Expenses

Brisbane Region

Travel to anywhere in the greater Brisbane region (North to Noosa, south to Murwillumbah, West to Roma). Travel charged at flat fee of \$175.00 + GST per day.

Minimum half day booking required for projects requiring travel in the Brisbane area.

All other Regions

Hotel, taxis/hire cars and meals charged at \$375 + GST per day + flights.

Travel time is included in the period of engagement with no exceptions.

Flights charged at cost. Where a fixed period of engagement is booked, flights will be standard economy. Where period of engagement is variable, flights will be variable economy.

Either taxi or compact hire car may be used, which ever is deemed likely to cost the least.

A letter of engagement outlining the terms and conditions and summary of required works will be provided prior to providing services.

Only daily rate charges apply for projects requiring interstate or overseas travel. Hourly rate not available for interstate travel.

Insurance: ManufactureLink carries public liability insurance to the value of \$10million and professional indemnity insurance to the value of \$5million. All prices quoted are in Australian dollars unless otherwise indicated.
